onebeech

garden design and landscaping

onebeech garden design and landscaping are specialists in private gardens and public spaces.

We design and build all forms of gardens, including small urban gardens, low maintenance gardens, natural plant based gardens, formal gardens through to statement landscaped garden projects.

Our public projects have included gardens for the Festival International des Jardins at the Domaine de Chaumont-sur-Loire, the RHS Chelsea Flower Show and Art, Villes et Paysage in Amiens.
